

# A PLEDGE FOR No.28

St Michael and All Angels, Middlewich

An easy way to pledge a donation

1. You don't part with your money until we ask you for it.
2. You don't buy the item you pledge to purchase, you just part with your money and we then buy it.
3. Check down the list and select an item or items that you would like to pay for, making a note of the item(s) number, ie A23, B2, D19
4. Look through the ring binders to find a pair of pages, one white on top of one yellow) with the corresponding number(s), they should still be in numerical order, and remove them from the binder.
5. Keep the top (white) sheet for your own future reference. Fill in all the boxes on the bottom (yellow) sheet, fold it, and drop it in the box.
6. If you are pledging money for tiles, carpet or paint the list below will show the total quantity required. You write a number in the box on the sheets representing the quantity you want to purchase. For example, 120 sq m of carpet is needed at £25/sq m. You may wish to pledge 10 sq m so you would write '10' in the boxes on both sheets.
7. When the time comes, we will write to you requesting a cheque to cover your pledge.

That's it. Easy.

Thank you, in anticipation of your kind generosity.
