Consultation Questionnaire

If you would like to share your thoughts with us, we are very keen to hear your views and opinions on what you love most about our Church, what you may want to change or develop, what personal qualities you would like to see in the new Rector?

However, you have just over a week to do so, we need all questionnaires returned to us by the **11th August**.

You can find questionnaire sheets in Church or in No28, ready for you to help us with this process. We have also sent the Questionnaires out by email if you prefer that option. In addition, if you would rather sit with someone, and fill these sheets in over a cup of tea, we are happy to make this happen. Please post your completed sheets into the box provided at the back of Church or in No28 or give them to one of the Church Wardens or hand them in at the office. Thank you.

Parish Profile

We continue to make progress with the Parish Profile. Thoughts, comments and feedback have been landing on

a daily basis and have helped shape this document to-date. What we need now, are your comments from the questionnaire returns, to help complete sections such as ‘What personal qualities am I looking for in our new Rector?”

Parish Representatives

Middlewich PCC have elected their two Parish Representatives to work with the Diocese alongside the Archdeacon and Rural Dean, for the process of the appointment. They are Robert Reed and Ian Jeffery.

Byley have also chosen their Parish Representatives, they are Elaine Cross and James Bennion.

We ask that your prayers over the coming weeks and months will underpin this whole process, as we seek God’s will for our community here and in Byley.

Keep Smiling Keep Praying Keep pulling together
